INSTRUCTIONS

PLANNING DEPARTMENT

PLOT PLAN REQUIREMENT

A plot plan is required with all applications for conditional uses, special exceptions, and variances. Any incomplete, illegible, or inaccurate plot plans will cause delay in the processing of an application.

PLOT PLAN PREPARATION

The plot plan must be a scaled drawing prepared or reproduced on a letter size sheet (larger drawing must be reduced). The plot plan should be drawn by a skilled drafter or a professional surveyor, engineer, or architect. The level of detail may vary, depending on the nature of the request, but the following items are suggested minimums:

Name of applicant

Date

North Arrow

Scale in feet

Lot size in acres or square feet and property dimensions

Location, dimensions, floor areas, and heights of all structures

Location and dimensions of driveways and off-street parking and loading aisles and spaces

Description of landscape improvement, screening, and buffer yards

Physical features, such as ground cover, water bodies, floodplain, and general topography

Adjacent streets, alleys, railroads, water bodies, land uses, and zoning districts

For variance applications: dimensional requirement (s) subject to variance noted or highlighted

Other features necessary for the Planning Commission/Zoning Board to adequately assess the proposal
