## INDEPENDENT AUDITOR'S REPORT

To the City Council  
City of Jasper, Alabama

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, the aggregate remaining fund information, and the budgetary comparison for the General Fund of the City of Jasper, Alabama (the "City"), as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Jasper City Board of Education of the City of Jasper, Alabama, which represent 100 percent of the assets, net position, and revenues of that component unit column. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Jasper City Board of Education is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## **Opinions**

In our opinion, based on our audit and the report of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Jasper, Alabama, as of September 30, 2017, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, the Schedule of Changes in Net Pension Liability, and the Schedule of Employer Contributions as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Jasper, Alabama's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated July 3, 2018, on our consideration of the City of Jasper, Alabama's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Jasper, Alabama's internal control over financial reporting and compliance.

**CITY OF JASPER, ALABAMA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2017**

As management of the City of Jasper, Alabama (the "City"), we present this narrative overview and analysis designed to assist readers of the City's financial statements for the fiscal year ended September 30, 2017. Our discussion and analysis focuses on significant financial issues, provides an overview of the City's financial activity, identifies changes in the City's financial position, identifies any material deviations from the financial plan (the approved budget), and identifies individual fund issues or concerns.

**Financial Highlights**

- The assets of the City's Governmental Activities exceed its liabilities at the close of the fiscal year ended September 30, 2017, by \$15,148,909 (net position). The portion of net position that may be used to meet the City's ongoing obligations to citizens and creditors (unrestricted net position) reflects a deficit of (\$4,425,778). The deficit is primarily the result of the reporting of the OPEB obligation as required by GASB No. 45 and the pension requirements of GASB 68 (Note 9).
- The City's total net position increased by \$3,687,188 in fiscal 2017. The factor that most influenced this increase was the City's success in reducing operational costs, expansion of sales tax revenue, and obtaining grant revenue.
- The City's total net capital assets increased by \$1,420,561 in fiscal 2017. This increase was mainly attributable to ongoing construction of the new high school.
- As of the close of the current fiscal year, the City's governmental funds reported combined fund balances of \$16,732,646, an increase of \$11,879,329 from the prior year. Of this amount, \$11,926,492 is for construction.
- At the end of the current fiscal year, the unassigned fund balance of the General Fund (the City's primary operating fund) was \$2,586,534.
- The City's net long-term debt increased by \$9,337,640, primarily from the new 2017 GO Warrants.

**Overview of the Financial Statements**

This discussion and analysis is intended to serve as an introduction to the City's financial statements, which is comprised of the basic financial statements and the notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

**CITY OF JASPER, ALABAMA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2017**

**Government-Wide Financial Statements**

The government-wide financial statements are designed to provide readers with an overview of the City's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City's assets and liabilities, with the difference between the two reported as net position. This statement combines governmental funds' current financial resources with capital assets and long-term obligations. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents information focused on functions and shows how the City's net position changed during the most recent fiscal year. This is intended to summarize and simplify the user's analysis of revenue and expenses of various governmental services and/or subsidies to various business-type activities. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused employee leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to typically recover all or a significant portion of the cost of operation, including depreciation, through user fees and charges for services (*business-type activities*). The governmental activities of the City include general government, public safety, public works, recreation and cultural services, and non-departmental. The business-type activities of the City reflect private sector type operations and include cemeteries and garbage services.

The government-wide financial statements include not only the City itself (known as the *primary government*), but also the activities of *its component units*, the Jasper City Board of Education and the Industrial Development Board of the City of Jasper, Alabama. A component unit is a legally separate organization over which the City can exercise influence and/or may be obligated to provide financial subsidies. The focus of the statements is clearly on the primary government and the presentation allows the readers to address the City's relative relationship with the component units. The Jasper City Board of Education and the Industrial Development Board issue complete financial statements, which may be obtained by contacting the entities directly.

**Fund Financial Statements**

Traditional users of governmental financial statements will find the *Fund Financial Statements* presentation more familiar. The focus is on the City's major funds rather than the City as a whole. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Governmental, proprietary, and fiduciary are the three categories of fund types.

**CITY OF JASPER, ALABAMA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2017**

**Fund Financial Statements – Continued**

*Governmental Funds* – The City of Jasper maintains four individual *major governmental funds*. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Whitehouse Road Improvement, 2017 Warrant Issue, and the One-Cent Sales Tax Fund. Data from other governmental funds are combined into a single *nonmajor governmental funds* aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements* elsewhere in this report.

For management control of expenditures, the City adopts an annual appropriated budget for all funds. A budgetary comparison statement has been provided for the City's major governmental funds to demonstrate compliance with their budgets.

*Proprietary Funds* – The City of Jasper maintains three proprietary funds. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to provide for separate information for the two cemeteries and the garbage services, each of which is considered a major fund of the City.

*Fiduciary Funds* – Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support City programs.

**Notes to the Financial Statements**

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

**Other Information**

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning budgetary comparisons and the City's progress in funding its obligations to provide pension benefits to its employees.

The combining fund statements and schedules are presented immediately following the required supplementary information and the single audit section represents the last section of this report.

Deferred Inflows Of Resources	763	763	(763)	(763)	-	-
Net Position:						
Net Invested in Capital Assets	6,690,020	14,416,019	312,149	265,619	7,002,169	14,681,638
Restricted	12,884,667	4,346,118	-	-	12,884,667	4,346,118
Unrestricted (Deficit)	<u>(4,425,778)</u>	<u>(7,303,340)</u>	<u>(728,457)</u>	<u>(679,003)</u>	<u>(5,154,235)</u>	<u>(7,982,343)</u>
Total Net Position	<u>\$ 15,148,909</u>	<u>\$ 11,458,797</u>	<u>\$ (416,308)</u>	<u>\$ (413,384)</u>	<u>\$ 14,732,601</u>	<u>\$ 11,045,413</u>

The City's total assets were \$101,028,098 as of September 30, 2017. Of this amount, \$81,545,138 is accounted for by capital assets, which includes infrastructure.

Of the remaining City assets, \$17,597,340 is accounted for in cash and cash equivalents, \$1,720,992 in accounts receivable, \$24,300 in liens receivable, and the remainder spread among miscellaneous assets.

At September 30, 2017, the City had outstanding liabilities of \$88,900,755, of which \$83,110,212 was long-term. Long-term liabilities include warrants and notes payable, compensated absences, accrued landfill closure and post closure care costs, pension liabilities, and the OPEB obligation. Of the total amount outstanding, approximately \$2,808,267 was due within one year, with the remainder due at various dates before 2044.

Included in other liabilities in the above table are \$2,165,963 in accounts payable (most of which will be paid from the general fund and bond funds) and \$332,411 in accrued interest payable.

The largest portion of the City's net position reflects its investment in capital assets, less any outstanding related debt used to acquire those assets. The City's capital assets are used to provide services to citizens. Consequently, investments in capital assets are not available for future spending. Although the City's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. The remaining unrestricted net position reflect a deficit of (\$4,425,778). This deficit is primarily the result of recording the OPEB obligation of \$945,855 and pension liability of \$11,375,510 (See Note 9).

Total revenues for the City were \$29,289,958 for the year ended September 30, 2017. Governmental activities provided \$27,458,867 or 93.7%, while \$1,831,091 of business-type activities revenue was provided by charges for services and interest income. The governmental activities received \$14,704,235, or 50.2% of total revenue, from sales taxes and \$3,595,363, or 12.3% of total revenue, from business licenses and permits.

**CITY OF JASPER, ALABAMA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2017**

**Fund Financial Analysis**

**Governmental Funds**

The General Fund is the chief operating fund of the City. The total general fund balance increased by \$1,295,639 in 2017 to \$2,715,199. At the end of the current fiscal year, the unassigned fund balance was \$2,586,534. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. This is very useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. Unassigned fund balance represents approximately 11.4% of total general fund expenditures, while total fund balance represents 11.9% of the total general fund expenditures.

**Enterprise Funds**

The City operates the New Prospect Cemetery and the North Oakhill Cemetery. Lots are sold for \$250 each at New Prospect and \$600 each at North Oakhill. The City normally charges New Prospect \$1,000 for each mowing. The cemeteries will generally operate with a small profit each year, largely as a result of interest income from a certificate of deposit owned by North Oakhill Cemetery. This year New Prospect Cemetery recorded loss from operations of \$(2,823) and North Oakhill Cemetery recorded income from operations of \$34,698.

The City also operates a garbage collection service for the citizens of the City. Current year loss from operations was \$(16,759).

**Budgetary Highlights**

The following is a brief review of the budgeting changes from the original to the final budget for the General Fund.

- No significant budget changes were made during the year.

**Capital Assets**

**CITY OF JASPER, ALABAMA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2017**

**Capital Assets – Continued**

This investment in capital assets includes land, buildings, improvements other than buildings, system improvements (drainage and streets), machinery and equipment, park facilities, roads, highways, and bridges. The total increase in the City's investment in capital assets for the current fiscal year was \$1,420,167.

Major capital asset events during the current fiscal year included the following:

- Construction of the new high school was completed.
- Development of sidewalks and lighting.

**Debt Administration**

As of year-end, the City had \$71,700,215 in debt (bonds, notes, etc.) outstanding compared to \$62,362,472 at the end of last year, a \$9,337,743 increase.

**Outstanding Debt at Year-End**

	<u>2017</u>	<u>2016</u>
Governmental:		
Note Payable	\$ 1,809,543	\$ 1,809,543
Note Payable	329,583	-
2006-B Bond Issue	-	51,422
2006-A Bond Issue	57,414	131,179
2014 Bond Issue	48,585,000	49,325,000
2008-C Bond Issue	19,193	37,589
2009 Bond Issue	675,000	1,420,000
2012 Bond Issue	539,005	769,160
2015 Bond Issue	3,965,916	4,125,093
Deferred Amounts	4,168,872	3,971,285

Business-Type:		
Bank Loans	123,064	142,437
2015 Bond Issue	354,184	419,907
2012 Bond Issue	93,438	148,130
2006-B Bond Issue	<u>-</u>	<u>11,727</u>
Total Debt	<u>\$ 71,700,215</u>	<u>\$ 62,362,472</u>

The City issued a general obligation warrant during 2017 in the amount of \$10,980,000 for construction projects. In 2016, the City issued warrants in the amount of \$4,780,000 for construction and a garbage truck (Business-Type). Also, the City borrowed \$350,000 for energy efficient improvements in 2017.

**CITY OF JASPER, ALABAMA  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
SEPTEMBER 30, 2017**

**Economic Factors**

The City of Jasper is largely dependent upon its sales tax revenue for growth in income. In periods of economic decline, the City is faced with increasing taxes, licenses, or user charges as a means to increase revenue or reducing expenses in the form of reductions in services or the number of employees.

**Financial Contact**

The City's financial statements are designed to present users (citizens, taxpayers, customers, investors, and creditors) with a general overview of the City's finances and to demonstrate the City's accountability. If you have questions about the report or need additional financial information, contact the City Clerk on the second floor of City Hall, 400 West 19th Street, Post Office Box 1589, Jasper, Alabama 35502-1589.

**CITY OF JASPER, ALABAMA**

Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances to the Statement of Activities  
September 30, 2017

---

**NET CHANGE IN FUND BALANCES TOTAL  
GOVERNMENTAL FUNDS**

\$ 11,879,329

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is depreciated over their estimated useful lives.

Capital Outlays Capitalized	\$ 3,188,200	
Depreciation	(1,662,654)	
Amortization of Bond Discount	161,017	
Advanced and Current Refundings	<u>(26,489)</u>	
		1,660,074

Contributions to pension plan in current fiscal year are not included on the Statement of Activities

753,268

Contributions to pension plan in prior fiscal year are included on the Statement of Activities

(782,127)

Some expenses reported in the Statement of Activities differ from amounts reported as expenditures in governmental funds.

Compensated Absences	319,652	
Change in OPEB Obligations	(55,375)	
Accrued Interest	(72,414)	
Pension Expense	(335,456)	
Accrued Closure and Post Closure Costs	<u>(26,667)</u>	
		(170,260)

Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position. This is the amount by which proceeds exceed repayments.

Bond and Loan Proceeds	(11,330,000)	
Bond Premium	(358,604)	
Principal Payments	<u>2,038,432</u>	
		<u>(9,650,172)</u>

**CHANGE IN NET POSITION  
OF GOVERNMENTAL ACTIVITIES**

\$ 3,690,112

The notes to the financial statements are an integral part of this statement.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Reporting Entity**

The City of Jasper, Alabama (the "City"), operates under a Mayor-Council form of government. The City's major operations include police and fire protection, parks, library and recreation, public works, and general administrative services. In addition, the City owns and operates two cemeteries.

The City's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") as applied to governmental units. The Governmental Accounting Standards Board ("GASB") is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes the ultimate authority on GAAP for state and local governmental units. The more significant accounting policies established by GAAP and used by the City are discussed below.

As required by GAAP, these financial statements present the City and its component units, legally separate entities for which the City is considered to be financially accountable. The City has no blended component units. On the other hand, the City does have two discretely presented component units. The Jasper City Board of Education has a September 30 year-end and the Industrial Development Board of the City of Jasper, Alabama, has a December 31 year-end.

- Jasper City Board of Education – Five members of the Board of Education are appointed by the City and the Board of Education as an agency of the State of Alabama under the general supervision and financial jurisdiction of the Alabama State Department of Education. The City is obligated in some manner for the debt of the Board of Education and the City levies a sales tax specifically for operations of the Board of Education. Complete financial statements for the Jasper City Board of Education may be obtained at the following administrative office: Jasper City Board of Education, 110 17th Street West, P.O. Box 500, Jasper, Alabama 35502-0500.
- Industrial Development Board of the City of Jasper, Alabama – The Industrial Development Board members are appointed by the City and the City is obligated in some manner for the debt of the Industrial Development Board. Complete financial statements for the Industrial Development Board may be obtained at the following administrative office: Industrial Development Board, P.O. Box 972, Jasper, Alabama 35502.
- Related Organizations – The City is also responsible for appointing a voting majority of the boards of other organizations, but the City's financial accountability for these organizations does not extend beyond making the appointments, or the financial resources and obligations of these organizations are immaterial. The City appointed a voting majority of the following boards: Jasper Water Works and Sewer Board, Inc., City of Jasper Library Board, City of Jasper Housing Authority, City of Jasper Board of Zoning Adjustments, City of Jasper Housing Authority, and City of Jasper Medical and Public Building Authority. These organizations are related organizations, which have not been included in the reporting entity.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Government-Wide and Fund Financial Statements**

The City's basic financial statements include both government-wide and fund financial statements. Government-wide financial statements focus on the City as a whole and are designed to allow the users of financial reports to assess the City's *operational accountability*. The fund financial statements focus on major individual funds and are designed to demonstrate the City's *fiscal accountability*. Operational accountability refers to the City's responsibility to report the extent to which it has met its operating objectives efficiently and effectively, using all resources available for that purpose, and whether it can continue to meet those objectives for the foreseeable future. Fiscal accountability is the City's responsibility to demonstrate that its actions in the current period have complied with public decisions concerning the raising and spending of public money in the short-term (usually one budgetary cycle or one year).

For the most part, the effect of interfund activity has been removed from the government-wide financial statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately *from business-type activities*, which rely to a significant extent on fees and charges for support.

The government-wide statement of activities reflects both the gross and net costs per functional category (i.e., general government, public safety, etc.) by offsetting direct expenses with program revenues. Direct expenses are those that are clearly identifiable with a specific program. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and 2) operating or capital grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not properly included among program revenues are reported instead as general revenue.

The fund financial statements provide separate financial statements for governmental funds, proprietary funds, and fiduciary funds (even though fiduciary funds are excluded from the government-wide financial statements). The emphasis of the fund financial statements is on the City's major funds and each major fund is reported in a separate column. Nonmajor funds of each type are summarized into a single column.

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when the related liability is incurred. Property taxes are recognized as revenues in the year they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation – Continued**

Property taxes, sales and use taxes, beer taxes, lodging taxes, rental and leasing taxes, payments in lieu of taxes, intergovernmental revenue, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal year. All other revenues are considered to be measurable and available only when cash is received by the City.

The City reports the following major governmental funds:

- General Fund – The General Fund is the main operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund. All general tax revenues and other receipts that are not restricted by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures, fixed charges, and capital improvement costs that are not paid through other funds are paid from the General Fund.
- Whitehouse Road Improvement – This fund is used to account for the construction cost of Whitehouse Road.
- 2017 Warrant Issue Fund – The 2017 Warrant Issue Fund is a fund used to account for the bonds issued in May 2017.
- One-Cent Sales Tax Fund – The One-Cent Sales Tax Fund is a fund used to account for the collection of the additional one-cent sales tax revenue and the disbursements of these funds.

The City reports the following major proprietary funds to account for the activities associated with the respective cemeteries and garbage services:

- New Prospect Cemetery and North Oakhill Cemetery
- Project Fund – The Project Fund was established to account for garbage service provided by the City. Garbage fees collected from businesses and residents are deposited into this fund. The fees collected for garbage service are used to pay for certain garbage expenses and capital improvements.

Additionally, the City reports the following fund types:

- Special Revenue Funds – The City's nonmajor special revenue funds are used to account for resources that are legally restricted to expenditure for specific purposes, not including those accounted for in capital projects funds.
- Debt Service Funds – Debt Service Funds account for the payment of principal and interest on long-term debt not financed by proprietary funds.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation – Continued**

- Capital Projects Funds – The City's nonmajor capital projects funds account for the costs of constructing or acquiring capital assets and major improvements other than those financed by proprietary funds.
- Fiduciary Funds – Fiduciary funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support City programs. The reporting focus is on net position and is reported using accounting principles similar to proprietary funds.

The City's fiduciary fund is presented in the fiduciary fund financial statements by type. Since by definition these assets are being held for the benefit of a third party (other private parties) and cannot be used to address activities or obligations of the government, this fund is not incorporated into the government-wide statements.

The City maintains the following fiduciary fund:

- Hazardous Duty Pay – In 1992 the Legislature of the State of Alabama enacted a bill enabling the City of Jasper to levy additional court costs and charges of twelve dollars (\$12) upon any criminal or civil case whose jurisdiction is in the City of Jasper Municipal Court of the 1411 Judicial Circuit. The legislative act requires that money collected from these charges be placed in a special fund known as the Hazardous Duty Pay Fund. As funds are available, each police officer is entitled to hazardous duty pay of \$150 per month, and each jailer is entitled to \$100 per month. Funds are transferred into the Hazardous Duty Pay Fund as court costs are collected, and funds are transferred out as payroll to the police officers and jailers.

Proprietary funds distinguish *operating* revenue and expense from nonoperating items. Operating revenue and expenses generally result from providing services and delivering goods in connection with a proprietary fund's ongoing operations. The principal operating revenue of the City's enterprise funds are charges to customers and users for sales and services. Operating expenses for enterprise funds include the cost of sales and services and depreciation of capital assets. All revenue and expenses not meeting this definition are reported as nonoperating revenue and expenses.

**Management Estimates and Assumptions**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from these estimates.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation – Continued**

**Budgetary Control**

The fiscal year of the City is the twelve-month period beginning October 1. The departments submit to the City Clerk a budget of estimated expenditures for the ensuing fiscal year after which the City Clerk subsequently submits a budget of estimated expenditures and revenues to the City Council. Upon receipt of the budget estimates, the Council holds a public hearing on the proposed budget. After the public hearing, the budget is legally enacted through passage of an ordinance. The City Clerk is authorized to transfer budgeted amounts between line items and departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the City Council.

**Assets, Liabilities, and Net Position or Equity**

Cash and Investments:

Cash includes cash on hand, amounts in demand deposits, and short-term investments with a maturity date within three months of the date acquired by the City. State statutes authorize the City to invest in U.S. Government obligations, U.S. Government agency obligations, U.S. corporate stock, U.S. corporate debt, State of Alabama Government obligations, County Government obligations, and other Municipal Government obligations. All investments are reported at fair value.

For purposes of the statements of cash flows, cash and cash equivalents include short-term investments with an original maturity date of three months or less.

Accounts Receivable:

Activity between funds that is representative of lending and borrowing arrangements, as well as all other outstanding balances between funds at year-end, are referred to as either due to/from other funds (for the current portion) or advances to/from other funds (for the noncurrent portion). Any outstanding balances between governmental activities and business-type activities are reported in the government-wide statement of net position as “internal balances.”

Accounts receivable are written off on an individual basis in the year the City deems them uncollectible. Management has estimated the allowance to be zero. The City grants credit to customers who use its various services, substantially all of whom are local residents or businesses.

Prepaid Items:

Prepaid balances are for payments made by the City in the current year to provide services occurring in the subsequent fiscal year.

Inventories:

Inventories in the general fund consist of expendable supplies held for the City's use and are carried at cost using the first-in, first-out method.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Assets, Liabilities, and Net Position or Equity – Continued**

Capital Assets:

Capital assets purchased or acquired with an original cost of \$1,000 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimates useful lives:

Buildings	20 - 50 years
Machinery and Equipment	5 - 10 years
Improvements	10 - 20 years
Other Infrastructure	10 - 50 years

Revenues:

Property taxes are billed and collected within the same period in which the taxes are levied. The City is responsible for levying property taxes, but the taxes are collected by the Walker County Tax Assessor and remitted to the City.

Deferred Outflows/Inflows of Resources:

In addition to assets, the statement of net position and/or balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. This category includes deferred charge on refunding reported on the government-wide statement of net position. The deferred charge on refunding is the difference between the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or the refunding debt. This category also includes amounts related to pensions for certain actuarially determined differences projected and actual investment earnings.

In addition to liabilities, the statement of net position and/or balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. Currently, this category includes revenue received in advance and amounts related to pensions for certain actuarially determined differences between projected and actual experience.

Expenditures:

Expenditures are recognized when the related liability is incurred.

Compensated Absences:

The City accrues accumulated unpaid vacation and sick leave and associated employee-related costs when earned (or estimated to be earned) by the employee.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Assets, Liabilities, and Net Position or Equity – Continued**

Interfund Activity:

Interfund activity is reported as services provided, reimbursements, or transfers. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund, and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental or proprietary funds are netted as part of the reconciliation to the government-wide financial statements.

Government-Wide and Proprietary Fund Net Position:

Government-Wide and Proprietary Fund net position are divided into three components:

- Invested in capital assets – consists of the historical cost of capital assets less accumulated depreciation and less any outstanding debt used to finance those assets.
- Restricted net position – consists of net position that is restricted by the City's creditors (for example, through debt covenants), by the state enabling legislation (through restrictions on shared revenues), by grantors (both federal and state), and by other contributors (including those who have donated to the City's parks endowment).
- Unrestricted – all other net position is reported in this category.

Governmental Fund Balances:

The following fund balance classifications describe the relative strength of the spending constraints placed on the purposes for which the resources can be used:

- Nonspendable – includes amounts that cannot be spent because they are either not spendable in form or are legally or contractually required to be maintained intact. Nonspendable amounts consist of inventories and prepaids at September 30, 2017.
- Restricted – includes amounts restricted by external sources (creditors, laws of other governments, etc.) or by constitutional provision or enabling legislation. Restricted amounts are for debt service at September 30, 2017.
- Committed – includes amounts that can only be used for specific purposes. Committed fund balance is reported pursuant to ordinances passed by the City Council, the City's highest level of decision making authority. Commitments may be modified or rescinded only through ordinances approved by the City Council. Committed amounts are for capital improvements at September 30, 2017.
- Assigned – includes amounts that the City intends to use for a specific purpose, but do not meet the definition of restricted or committed fund balance. Amounts may be assigned by the City Clerk or other City management.

**CITY OF JASPER, ALABAMA**

Notes to Financial Statements

September 30, 2017

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

**Assets, Liabilities, and Net Position or Equity – Continued**

Governmental Fund Balances – Continued:

- Unassigned – includes amounts that have not been assigned to other funds or restricted, committed, or assigned for a specific purpose within the General Fund. The City reports all amounts that are not classified in the above categories as unassigned.

As of September 30, 2017, fund balances are composed of the following:

	<u>General Fund</u>	<u>Whitehouse Road Improvement</u>	<u>2017 Warrant Issue</u>	<u>One-Cent Sales Tax</u>	<u>Other Governmental Funds</u>	<u>Total Governmental Funds</u>
Nonpendable:						
Inventories	\$ 12,327	\$ -	\$ -	\$ -	\$ -	\$ 12,327
Prepaid Items	116,338	-	-	-	-	116,338
Restricted:						
Construction	-	45	11,005,707	-	938,191	11,943,943
Debt Service	-	-	-	787,464	170,711	958,175
Committed:						
Construction	-	-	-	-	17,404	17,404
Debt Service	-	-	-	-	967,237	967,237
Assigned:						
Construction	-	-	-	-	120,820	120,820
Miscellaneous	-	-	-	-	9,868	9,868
Unassigned:	<u>2,586,534</u>	<u>45</u>	<u>-</u>	<u>-</u>	<u>-</u>	<u>2,586,534</u>
	<u>\$ 2,715,199</u>	<u>\$ 45</u>	<u>\$ 11,005,707</u>	<u>\$ 787,464</u>	<u>\$ 2,224,231</u>	<u>\$ 16,732,646</u>

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balances are available, the City considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the City considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the City has provided otherwise in its commitment or assignment actions.

Subsequent Events:

In preparing the financial statements, management evaluated subsequent events through July 3, 2018, the date the financial statements were available to be issued.

**NOTE 2. CASH AND CASH EQUIVALENTS**

Custodial credit risk – This is the risk that in the event of a bank failure, the City's deposits may not be returned. The City does not have a deposit policy for custodial credit risk; however, none of the City's bank balances were exposed to custodial credit risk. All of the City's bank balances are insured by the Federal Deposit Insurance Corporation and the Security for Alabama Funds Enhancement (SAFE) Program. The SAFE Program is a multiple financial collateral pool administered by the State Treasurer according to State of Alabama statute.

**NOTE 2. CASH AND CASH EQUIVALENTS – CONTINUED**

Interest rate risk – The City does not have a formal investment policy that limits investment securities as a means of managing its exposure to fair-value losses arising from increasing interest rates.

**NOTE 3. RECEIVABLES**

Receivables as of September 30, 2017, for the City's individual major and nonmajor funds, including the applicable allowances for uncollectible accounts, are as follows:

	<u>General Fund</u>	<u>Whitehouse Road</u>	<u>Garbage Collection</u>	<u>Other Nonmajor Funds</u>	<u>Total</u>
Taxes and Intergovernmental Accounts	\$ 398,711 <u>257,019</u>	\$ 854,372 <u>-</u>	\$ - <u>86,694</u>	\$ 124,196 <u>-</u>	\$ 1,377,279 <u>343,713</u>

General Fund	-	-	4,313,000	-	4,313,000
One-Cent Sales Tax Fund	-	-	1,613,007	-	1,613,007
IDB Debt Service	-	-	-	24,033	24,033
All Others	<u>-</u>	<u>-</u>	<u>1,613,395</u>	<u>-</u>	<u>1,613,395</u>
<b>Total</b>	<b>\$ <u>156,000</u></b>	<b>\$ <u>200,000</u></b>	<b>\$ <u>7,539,402</u></b>	<b>\$ <u>24,033</u></b>	<b>\$ <u>7,919,435</u></b>

Transfers are primarily used to move funds:

- From the General Fund to the Industrial Development Fund for industrial development.
- For various capital projects.

**NOTE 6. LITIGATION**

There are pending lawsuits in which the City is involved. The City Attorney estimates that the potential claims against the City not covered by insurance resulting from such litigation would not materially affect the financial statements of the City.

The City and the Board of Education have received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursements to the grantor agencies for expenditures disallowed under the terms of the grants. City management believes such disallowances, if any, will be immaterial.

**NOTE 7. RISK MANAGEMENT**

The City carries traditional insurance coverage rather than self-insurance.

**NOTE 8. NONCURRENT LIABILITIES**

**General Obligation Warrants**

General Obligation ("GO") Warrants are direct obligations issued on a pledge of the general taxing power of the payment of the debt obligations of the City. GO Warrants require the City to compute at the time other taxes are levied, the rate of tax required to provide (in each year bonds are outstanding) a fund to pay interest and principal at maturity (the City is in compliance with this requirement).

On September 22, 2009, the City issued \$5,680,000 of General Obligation Warrants. The bonds carry interest rates of 3.00% to 4.00% and mature between January 1, 2010, and January 1, 2021. The proceeds of the bond were used to fully refund outstanding balances in 1998 GO Warrants, 2002 GO Warrants, and 2006 GO Warrants. The remaining proceeds were used to purchase property through the City's Project Fund.

On June 18, 2008, the City issued Series 2008A General Obligation Warrants in the amount of \$634,974. The bonds mature on July 1 in years from 2009 through 2018, at an interest rate of 4.25%. The entire amount of the bond proceeds was used to purchase a new ladder fire truck.

On September 15, 2008, the City issued Series 2008C General Obligation Warrants in the amount of \$160,000. The bonds mature on October 1 in years from 2009 through 2018, at an interest rate of 4.25%. The entire amount of the bond proceeds was used to fund the remodeling of an existing facility for use as a City Hall Annex.

On October 12, 2006, the City issued Series 2006-B General Obligation Warrants in the amount of \$1,000,000. The bonds mature on November 20 in years from 2007 through 2017, at an interest rate of 3.810%. Of the total bond proceeds, \$795,661 was used for improvements and additions to Memorial Park, and \$166,534 was used to purchase and develop land to establish the North Oakhill Cemetery, a business-type activity of the City.

On July 10, 2012, the City issued \$2,076,000 of General Obligation Warrants. The bonds mature on August 1, 2022, at an interest rate of 2%. The entire amount of the bond proceeds was used to purchase various equipment for use throughout the City.

On April 29, 2014, the City issued \$50,760,000 of General Obligation Warrants. The bonds mature on March 1 in years from 2015 through 2044 and carry interest rates of 2.00% to 5.00%. The bonds proceeds are being used to construct a new high school.

In August 2015, the City issued \$4,780,000 of General Obligation Warrants. Bonds mature May 1 in years 2016 through 2032 and carry interest rates from 2.00% to 4.00%. The bond proceeds are being used for equipment and infrastructure.

In May 2017, the City issued \$10,980,000 of General Obligation Warrants. Bonds mature May 1 in years 2019 through 2034 and carry interest rates from 2.00% to 4.00%. The bond proceeds are being used for capital improvements and equipment.

**CITY OF JASPER, ALABAMA**

Notes to Financial Statements

September 30, 2017

**NOTE 8. NONCURRENT LIABILITIES – CONTINUED****Advance Refunding of Long-Term Debt**

During the fiscal year ended September 30, 2009, the City issued \$5,680,000 of general obligation warrants, of which \$5,260,955 was placed in an irrevocable trust for the purpose of generating resources for all future debt service payments through the year 2021 on the City's Series 1998, 2002, and 2006 general obligation warrants. As a result, the refunded warrants are considered to be defeased, and the liabilities have been removed from the financial statements. The outstanding principal balance of the defeased warrants as of September 30, 2017, was \$1,240,035.

**Jasper City Board of Education**

Long-Term liability obligations for the year ended September 30, 2017, are as follows:

	<u>Beginning Balance</u>	<u>Additions</u>	<u>Reductions</u>	<u>Ending Balance</u>	<u>Due Within One Year</u>

**Landfill Closure and Post Closure Care Cost**

State and Federal laws and regulations require the City to place a final cover on its landfill sites when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for thirty years after closure. Although closure and post closure care costs will be paid only near or after the date that the landfill stops accepting waste, the City reports a portion of these closure and post closure care costs as an operating expense of the public works function in each period based on landfill capacity used as of fiscal year end. It is estimated that the landfill is at 60% capacity.

The \$213,336 reported as landfill closure and post closure care liability at September 30, 2017, represents the cumulative amount reported to date, based on the expected capacity of 12 years. The City will recognize the remaining estimated cost of closure and post closure care of \$191,664 as the remaining capacity is filled. These amounts are based on what it would cost to perform all closure and post closure care in 2017. The City expects to close the landfill in 2029. Actual cost may be higher due to inflation, changes in technology, or changes in regulation.

**NOTE 9 – PENSION PLAN**

*Pensions.* The Employees' Retirement System of Alabama (the Plan) financial statements are prepared using the economic resources measurement focus and accrual basis of accounting. Contributions are recognized as revenues when earned, pursuant to the plan requirements. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. Expenses are recognized when the corresponding liability is incurred, regardless of when the payment is made. Investments are reported at fair value. Financial statements are prepared in accordance with requirements of the Governmental Accounting Standards Board (GASB). Under these requirements, the Plan is considered a component unit of the State of Alabama and is included in the State's Comprehensive Annual Financial Report.

*General Information about the Pension Plan*

*Plan Description.* The Employees' Retirement System of Alabama, an agency multiple-employer plan, was established October 1, 1945, under the provisions of Act 515 of the Legislature of 1945 for the purpose of providing retirement allowances and other specified benefits for state employees, State Police, and on an elective basis, to all cities, counties, towns, and quasi-public organizations. The responsibility for the general administration and operation of ERS is vested in its Board of Control. The ERS Board of Control consists of 13 trustees. The Plan is administered by the Retirement Systems of Alabama (RSA). Title 36-Chapter 27 of the Code of Alabama grants the authority to establish and amend the benefit terms to the ERS Board of Control. The Plan issues a publicly available financial report that can be obtained at [www.rsa-al.gov](http://www.rsa-al.gov).

**NOTE 9 – PENSION PLAN (CONTINUED)**

*General Information about the Pension Plan (Continued)*

The ERS Board of Control consists of 13 trustees as follows:

- 1) The Governor, ex officio.
- 2) The State Treasurer, ex officio.
- 3) The State Personnel Director, ex officio.
- 4) The State Director of Finance, ex officio.
- 5) Three vested members of ERS appointed by the Governor for a term of four years, no two of whom are from the same department of state government nor from any department of which an ex officio trustee is the head.
- 6) Six members of ERS who are elected by members from the same category of ERS for a term of four years as follows:
  - a. Two retired members with one from the ranks of retired state employees and one from the ranks of retired employees of a city, county, or a public agency each of whom is an active beneficiary of ERS.
  - b. Two vested active state employees.
  - c. Two vested active employees of an employer participating in ERS pursuant to § 36-27-6.

*Benefits Provided.* State law establishes retirement benefits as well as death and disability benefits and any ad hoc increase in postretirement benefits for the ERS. Benefits for ERS members vest after 10 years of creditable service. State employees who retire after age 60 (52 for State Police) with 10 years or more of creditable service or with 25 years of service (regardless of age) are entitled to an annual retirement benefit, payable monthly for life. Local employees who retire after age 60 with 10 years or more of creditable service or with 25 or 30 years of service (regardless of age), depending on the particular entity's election, are entitled to an annual retirement benefit, payable monthly for life. Service and disability retirement benefits are based on a guaranteed minimum or a formula method, with the member receiving payment under the method that yields the highest monthly benefit. Under the formula method, members of the ERS (except State Police) are allowed 2.0125% of their average final compensation (highest 3 of the last 10 years) for each year of service. State police are allowed 2.875% for each year of State Police service in computing the formula method.

Act 377 of the Legislature of 2012 established a new tier of benefits (Tier 2) for members hired on or after January 1, 2013. Tier 2 ERS members are eligible for retirement after age 62 (56 for State Police) with 10 years or more of creditable service and are entitled to an annual retirement benefit, payable monthly for life. Service and disability retirement benefits are based on a guaranteed minimum or a formula method, with the member receiving payment under the method that yields the highest monthly benefit. Under the formula method, Tier 2 members of the ERS (except State Police) are allowed 1.65% of their average final compensation (highest 5 of the last 10 years) for each year of service. State Police are allowed 2.375 % for each year of State Police service in computing the formula method.

Members are eligible for disability retirement if they have 10 years of credible service, are currently in-service, and determined by the RSA Medical Board to be permanently incapacitated from further performance of duty. Preretirement death benefits are calculated and paid to the beneficiary on the member's age, service credit, employment status, and eligibility for retirement.

**CITY OF JASPER, ALABAMA**

Notes to Financial Statements

September 30, 2017

---

**NOTE 9 – PENSION PLAN (CONTINUED)**

*General Information about the Pension Plan (Continued)*

The ERS serves approximately 906 local participating employers. The ERS membership includes approximately 85,874 participants. As of September 30, 2016, membership consisted of:

	<u>ERS</u>	<u>City</u>
Retirees and beneficiaries currently receiving benefits	23,007	118
Terminated employees entitled to but not yet receiving benefits	1,155	5
Terminated employees not entitled to a benefit	6,654	14
Active Members	54,823	204
Post-DROP participants still in active service	<u>235</u>	<u>2</u>
Total	<u>85,874</u>	<u>343</u>

*Contributions.* Tier 1 covered members of the ERS (except State Police and certified law enforcement, correctional officers, and firefighters) contributed 5% of earnable compensation to the ERS as required by statute until September 30, 2011. From October 1, 2011, to September 30, 2012, Tier 1 covered members of the ERS (except State Police and certified law enforcement, correctional officers, and firefighters) were required by statute to contribute 7.25% of earnable compensation. Effective October 1, 2012, Tier 1 covered members of the ERS (except State Police and certified law enforcement, correctional officers, and firefighters) are required by statute to contribute 7.50% of earnable compensation. Tier 1 certified law enforcement, correctional officers, and firefighters of ERS contributed 6% of earnable compensation as required by statute until September 30, 2011. From October 1, 2011, to September 30, 2012, certified law enforcement, correctional officers, and firefighters of the ERS were required by statute to contribute 8.25% of earnable compensation. Effective October 1, 2012, Tier 1 certified law enforcement, correctional officers, and firefighters of the ERS are required to contribute 8.50% of earnable compensation. Tier 1 State Police of the ERS contribute 10% of earnable compensation. ERS local participating employers are not required by statute to increase contribution rates for their members.

Tier 2 covered members of the ERS (except State Police and certified law enforcement, correctional officers, and firefighters) contribute 6% of earnable compensation to the ERS as required by statute. Tier 2 certified law enforcement, correctional officers, and firefighters of the ERS are required by statute to contribute 7% of earnable compensation. Tier 2 State Police members of the ERS contribute 10% of earnable compensation. These contribution rates are the same for Tier 2 covered members of ERS local participating employers.

The ERS establishes rates based upon an actuarially determined rate recommended by an independent actuary. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with additional amounts to finance any unfunded accrued liability, the pre-retirement death benefit and administrative expenses of the Plan. For the year ended September 30, 2017, the City's active employee contribution rate was 11.39% of covered employee payroll, and the city's average contribution rate to fund the normal and accrued liability costs was 6.06% of covered employee payroll.

**NOTE 9 – PENSION PLAN (CONTINUED)**

*General Information about the Pension Plan (Continued)*

The City's contractually required contribution rate for the year ended September 30, 2017, was 13.49% of pensionable pay for Tier 1 employees, and 10.24% of pensionable pay for Tier 2 employees. These required contribution rates are based upon the actuarial valuation dated September 30, 2014, a percent of annual pensionable payroll, and actuarially determined as an amount that, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, with an additional amount to finance any unfunded accrued liability. Total employer contributions to the pension plan were \$841,724 for the year ended September 30, 2017.

*Net Pension Liability*

The City's net pension liability was measured as of September 30, 2016, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as September 30, 2015, rolled forward to September 30, 2016, using standard roll-forward techniques as shown in the following table:

	<u>Expected</u>	<u>Actual 2015 Assumptions</u>	<u>Actual 2016 Assumptions</u>
Total Pension Liability			
As of September 30, 2015	(a) \$ 28,746,112	\$ 29,015,678	\$ 30,104,239
Discount Rate	(b) 8.00%	8.00%	7.75%
Entry Age Normal Cost for			
October 1, 2015 – September 30, 2016	(c) \$ 536,676	\$ 536,676	\$ 537,748
Transfers Among Employers	(d) \$ -	\$ (4,956)	\$ (4,956)

Difference Between Actual (2015			
Assumptions) and Actual (2016			
Assumptions): Assumption Change			
(Gain)/Loss	(j)		\$ 1,103,905

*Actuarial Assumptions.* The total pension liability in the September 30, 2015, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.75%
Salary increases	3.25% – 5.00%
Investment rate of return*	7.75%

\*Net of pension plan investment expense

**CITY OF JASPER, ALABAMA**

Notes to Financial Statements

September 30, 2017

---

**NOTE 9 – PENSION PLAN (CONTINUED)**

*Net Pension Liability Continued*

Mortality rates for ERS were based on the sex distinct RP-2000 Blue Collar Mortality Table projected with Scale BB to 2020 with an adjustment of 125% at all ages for males and 120% for females at ages on and after 78. The rates of mortality for the period after disability retirement are according to the sex distinct RP-2000 Disabled Retiree Mortality Table with Scale BB to 2020 with an adjustment of 130% at all ages for females.

The actuarial assumptions used in the September 30, 2015, valuation were based on the results of an actuarial experience study for the period October 1, 2010, through September 30, 2015. The Board of Control accepted and approved these changes on September 29, 2016.

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target asset allocation and best estimates of geometric real rates of return for each major asset class are as follows:

	<u>Target Allocation</u>	<u>Long-Term Expected Rate of Return*</u>
Fixed Income	17.00%	4.40%
U.S. Large Stocks	32.00%	8.00%
U.S. Mid Stocks	9.00%	10.00%
U.S. Small Stocks	4.00%	11.00%
International Developed Market Stocks	12.00%	9.50%

Cash	<u>3.00%</u>	1.50%
Total	<u>100.00%</u>	

\*Includes assumed rate of inflation of 2.50%.

*Discount rate.* The discount rate used to measure the total pension liability was the long-term rate of return, 7.75%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the employer contributions will be made in accordance with the funding policy adopted by the ERS Board of Control. Based on those assumptions, components of the pension plan's fiduciary net position were projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

*Sensitivity of the net pension liability to changes in the discount rate.* The following table presents the City's net pension liability calculated using the discount rate of 7.75%, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.75%) or 1-percentage-point higher (8.75%) than the current rate:

	1% Decrease (6.75%)	Current Rate (7.75%)	1% Increase (8.75%)
City's Net Pension Liability	\$ 14,568,168	\$ 11,375,510	\$ 8,671,887

*Pension plan fiduciary net position.* Detailed information about the pension plan's fiduciary net position is available in the separately issued RSA Comprehensive Annual Report for the fiscal year ended September 30, 2016. The supporting actuarial information is included in the GASB Statement No. 68 Report for the ERS prepared as of September 30, 2016. The auditors' report dated September 18, 2017, on the Schedule of Changes in Fiduciary Net Position by Employer and accompanying notes is also available. The additional financial and actuarial information is available at [www.rsa-al.gov](http://www.rsa-al.gov).

---

**NOTE 9 – PENSION PLAN (CONTINUED)**

**Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

For the year ended September 30, 2017, the City recognized pension expense of \$1,234,453. At September 30, 2017, the City reported deferred outflows of resources and deferred inflows of resources related to pension of the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience	\$ 330,752	\$ -
Changes of Assumptions	913,577	-
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	167,504	-
Employer Contributions Subsequent to the Measurement Date	<u>841,724</u>	<u>-</u>
Total	<u>\$ 2,253,557</u>	<u>\$ -</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources to pensions will be recognized in pension expense as follows:

Year Ended September 30:

2018	\$ 1,144,460
2019	302,735
2020	441,826
2021	172,115
2022	192,421
Thereafter	<u>-</u>
Total	<u>\$ 2,253,557</u>

**Other Post-Employment Benefits**

Plan Description: In December 1988, the City approved a motion to extend medical/dental benefits to retirees of the City. The City provides post-retirement medical/dental benefits to all retirees with 25 years of service or to those age 60 with 10 years of service and before Medicare eligibility. Employees hired after November 4, 2008, are not eligible for City subsidized retiree health benefits. The benefits continue to age 65. These benefits are provided through the Local Government Health Insurance Programs administered by the Alabama State Employee Insurance Board.

Funding Policies: The City is subsidizing premiums paid for retirees at 85% of the premium amount. The retiree is responsible for the remaining 15%. As of September 30, 2017, there were 25 former employees and family members that were receiving benefits. The City finances the plan on a pay-as-you-go basis. For the year ended September 30, 2017, the City recognized \$306,300 of expenditures, which was net of \$46,059 of retiree contributions.

**CITY OF JASPER, ALABAMA**

Notes to Financial Statements

September 30, 2017

**NOTE 9. PENSION PLAN – GENERAL GOVERNMENT – CONTINUED**

**Other Post-Employment Benefits – Continued**

Annual OPEB Cost and Net OPEB Obligation: The City's annual OPEB cost (expense) is calculated based on the annual required contribution (ARC) of the employer, an amount actuarially determined in accordance with the parameters of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities over a period not to exceed thirty years.

Annual OPEB Cost and Net OPEB Obligation (Continued):

Beginning Net OPEB obligation – 10/1/2016	\$ 890,480
Annual required contribution	\$ 376,553
Interest on net OPEB obligation	-
ARC adjustment	<u>(14,878)</u>
OPEB cost	\$ 361,675
Contributions	<u>(306,300)</u>
Change in net OPEB obligation	<u>55,375</u>
Ending Net OPEB obligation – 9/30/17	<u>\$ 945,855</u>

The funded status of the Plan based on an actuarial update using age-adjusted premiums as of September 30, 2017, was as follows:

Actuarial accrued liability (AAL)	\$ 4,708,419
Actuarial value of plan assets	<u>-</u>
Unfunded actuarial accrued liability (UAAL)	<u>\$ 4,708,419</u>
Funded ratio (actuarial value of plan assets/AAL)	0.00%
Covered payroll (active plan members)	\$ 7,403,269
UAAL as a percentage of covered payroll	63.60%

Trend Information:

<u>Fiscal Year Ending</u>	<u>Annual OPEB Cost (AOC)</u>	<u>Percentage of AOC Contributed</u>	<u>Net OPEB Obligation (NOO)</u>
9/30/15	\$ 325,718	87.79%	% 755,652
9/30/16	323,378	87.66%	890,480
9/30/17	361,675	84.69%	945,855

Funding Progress: As of September 30, 2016, the most recent actuarial valuation date, the Plan was 0% funded. The actuarial accrued liability for benefits was \$4,708,419, and the actuarial value of assets was \$0, resulting in an unfunded actuarial accrued liability (UAAL) of \$4,708,419. The actuarial liability was determined under the projected unit cost method.

**CITY OF JASPER, ALABAMA**

Notes to Financial Statements

September 30, 2017

---

**NOTE 9. PENSION PLAN – GENERAL GOVERNMENT – CONTINUED**

Actuarial Valuation: Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and healthcare cost trends. Amounts determined regarding the funded status of the Plan and the annual required contribution of the City and Plan participants are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

Actuarial Methods and Assumptions: In the October 1, 2016, valuation the projected unit cost method was used. The actuarial assumptions included (a) discount rate of 4%, (b) healthcare cost trend rate at 5% level, (c) mortality based RP-2014 Total Mortality Table With Projection MP-2015, (d) turnover rates varying by age, gender, and service, (e) amortization over a level thirty years.

**NOTE 10 – TAX ABATEMENTS**

Under ordinance No. 2011-15 the City is authorized to provide economic development assistance to eligible retail developments. Possible assistance would be building permit exclusion, landfill disposal fee waived, sales and use tax exemption for construction cost, and sales tax rebates (30.00% of excess sales tax generated for a period of five years and 20.00% for two years). Development cost will need to exceed \$1,000,000. In general, for the sales and use tax rebate the development would generate 20 or more new full-time jobs within one calendar quarter.

Rebate of sales tax for the purpose of new or relocated business:

Cannon	\$ 156,106

<b>Contributions as a Percentage of Covered-Employee Payroll</b>	11.21%	11.67%	11.50%

\*Amount of employer contributions related to normal and accrued liability components of employer rate net of any refunds or error service payments. For FY2017, the fiscal year is the twelve month period beginning October 1, 2016.

\*\*Employer's covered payroll for FY2017 is the total covered payroll for October 1, 2016, through September 30, 2017.

**NOTES TO SCHEDULE**

Actuarially determined contribution rates are calculated as of September 30, three years prior to the end of the fiscal year in which contributions are reported. Contributions for fiscal year 2017 were based on the September 30, 2014, actuarial valuation.

Methods and Assumptions used to Determine Contribution Rates:

Actuarial Cost Method	Entry Age
Amortization Method	Level Percent Closed
Remaining Amortization Period	30 Years
Asset Valuation Method	Five Year Smoothed Market
Inflation	3%
Salary Increases	3.75 – 7.25%, Including Inflation
Investment Rate of Return	8.00%, Net of Pension Plan Investment Expense Including Inflation

The accompanying notes are an integral part of these financial statements.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and Members of the City Council  
Jasper, Alabama

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Jasper, Alabama (the "City"), as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated July 3, 2018. Our report includes a reference to other auditors who audited the financial statements of the Jasper City Board of Education of the City of Jasper, Alabama, as described in our report on the City's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

---

MEMBERS OF

AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS - ALABAMA STATE SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Honorable Mayor and Members of the City Council  
Jasper, Alabama

### **Report on Compliance for Each Major Federal Program**

We have audited the City of Jasper, Alabama's (the "City"), compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended September 30, 2017. The City's major federal programs are identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs.

### **Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and considerations of its federal awards applicable to its federal programs.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City's compliance.

### **Opinion on Each Major Federal Program**

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2017.

## Report on Internal Control over Compliance

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards  
September 30, 2017

---

Note A – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the schedule) includes the federal award activity of the City of Jasper, Alabama (City) under programs of the federal government for the year ended September 30, 2017. The information on this schedule is prepared in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the City, it is not intended to and does not present the financial position, changes in net position, or cash flow of the City.

Note B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principals contained in OMB Circular A-87 Cost Principles of State, Local, and Indian Tribal Governments (codified in 2 CFR Part 225), or the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures may or may not be allowable or may be limited as to reimbursement. The Government has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note C – MATCHING REQUIREMENTS

Certain Federal programs require the City to contribute non-Federal funds (matching funds) to support the Federally-funded programs. The City has met its matching requirements. The schedule does not include the expenditures of non-Federal matching funds.
